Hot water is heavier than cold water.

## *From the Principal's Laptop*

The weather was certainly a little cooler over Queen's Birthday weekend. It seems students and teachers equally enjoyed the extra day over the weekend to recharge their batteries for the last four weeks of this term.

On Wednesday all the students at Flanshaw Road School took part in an Arbour Day planting project. As well as learning about our native trees, this project was an opportunity for our students to take an active role in beautifying our city, for both now and for the future. The trees the students planted last year are surviving well. This year the students helped to 'under plant' where they had planted last year. The Flanshaw Road School area is looking fantastic. On Saturday June 16 families are invited to go down to the area to plant a tree between 1pm and 3pm. I will include more details about this event in next week's newsletter.

Also on Wednesday two basketball teams went to a Cluster Field Day at the Trust Stadium. I would like to thank Mr. Busby for organizing these teams and the parents who attended and supported our Flanshaw Road School students. Your support was very much appreciated by students and teachers alike.

Yesterday you would have received a letter about Student Led Conferences which are on **Wednesday 20 June**. School will be closing at 12.30pm on this day as the conferences will be starting at 1.30pm. We ask that you return the form with your preferred times by Tuesday 12 June. Confirmation of times will be sent out to you on Friday 15 June. The Student Led Conferences were a great success last year. I know the students are really looking forward to sharing their learning with you.

*Education is for improving the lives of others and for leaving your community and world better than you found it.*

Until next week, regards Maggie Reid

## Tummy Bug

A tummy bug is going around schools at the moment. If your child complains of a sore tummy or has diarrhoea, please can you **keep them at home until they have fully recovered.** We would like to break the cycle as it can spread easily. Please remind your children to wash their hands after they have been to the toilet and before they eat their food.
