The weather is certainly turning colder. We would like to remind you that students need to be wearing their school uniform each day. Jackets etc that are not part of the school are not to be worn. Students will need to have a school polar fleece jacket as the weather gets colder

Next week is the testing for the Mathletics. I hope that you have been assisting your child / children with their practising of the basic facts sheet that they will have brought home. The money from the sponsorship will be used for classroom resources such as wet day games and additional maths games.

On Tuesday I had a visit from two gentlemen who were representing the Auckland Junior Rugby Foundation. They were delivering six new rugby balls to the school, which have been donated to us by the foundation. The foundation is promoting Junior Rugby and this generous donation is very much appreciated.

Earlier this term Logan, in Kauri class was presented with a voucher to purchase books from *Off the Shelf Books Limited* which is on Te Atatu Peninsula. This was a very thoughtful donation from a company who wants to recognise students who are achieving in reading.

Education is more than filling a child with facts. It starts with posing questions.
