Last week three Senior School soccer teams competed at a Te Atatu Cluster field day. Our A Team were placed third and the other two teams played competitively. I would like to thank Mr. Alexander for organizing these teams and the parents who attended and supported our Flanshaw Road School students. Your support, as always, was very much appreciated by students and teachers.

On the 6<sup>th</sup> June the students will be going to plant trees at Sherwood Park as part of the Waitakere City "Twin Streams" Project. The school has been involved with this project over the last couple of years. It is an excellent opportunity for the students to not only be involved in the planting, but also to learn about native trees. A flyer will be coming home asking for parents / caregivers to come along and help out.

Another exciting event is the release of the film, "The Bridge to Terabithia", in which some of the students from our school were involved. Check the inside of the newsletter to find out how to purchase tickets to a preview of this movie.

Have you registered for Shop for Your School at Westfield shopping centre? This weekend, which is Queen's Birthday weekend, is a bonus weekend. For every dollar you spend this weekend you earn 5 points. This year Westfield has teamed up with Apple, Canon, Adidas and Scholastic books to offer some fantastic prizes. Remember we need you to register and take in your receipts so that we are in with a chance to win one of the prizes.

## *Freaky Fact of the Week*

A butterfly has more than 12 000 lenses in each eye.

*It's not what is poured into a student, but what is planted.
