Dear Parents and Caregivers of _____

If you would like to talk with the Principal or a member of the Senior Leadership Team before your child begins, please make an appointment time at the office. (8347224)

Below are some questions we could talk with you about or, you may wish to answer the questions and hand the questionnaire to the office staff when you enrol your child.

Copies will be given to the Principal, your child's Senior Leader and their teacher. Having this information will help us to work with you, so your child feels safe and happy at their new school.

What can you tell us about your child's interests?

What are their favourite activities?

How confident is your child with other children? at home? And in new situations?

What does your child do when they are worried or upset?

What strategies do you do that helps them?

What can you tell us about your child's levels of independence? (E.g. Getting dressed, looking after their belongings, confidence away from you)
